Aged Terra · Aged Cotto · Aged- D 20x20

Aged

La colección Aged se inspira en los barro cocidos y esmaltados tradicionales de la Toscana. Sus texturas superficiales, con una sutil irregularidad y matices desgastados, evocan el paso del tiempo y el trabajo artesanal.

The Aged collection is inspired by traditional Tuscan terracotta and glazed clay. Its subtly irregular surface textures and weathered nuances evoke the passage of time and the essence of handcrafted ceramics.
